

# We'll rant and we'll roar

I've been a sea cook and I've been a clip - per - man, I can dance, I can  
sing, I can walk the jib boom. I can han - dle a har - poon and  
cut a fine fig - ure, and when ev - er I get in a  
boat stand - ing room. We'll rant and we'll roar li - ke true - born young  
whale - men; we'll rant and we'll roar on - deck and be - low, un -  
til we strike Gay Head on the old Mar - tha - s Vi - ne - yard, and -  
straight up the chan - nel to New - Bed - ford we'll go.

I went to a dance one night in old Tumblez,  
There were lots of fine girls there as nice as you wish  
There was one pretty maiden a-chewin' tobacco,  
Just like a young kitten, a-chewin' fresh fish.
